

# Joy Kits for JoeD Patients

Patients at Joe DiMaggio Children's Hospital rely on the generosity of a giving community to brighten a hospital stay. Help make a child's day by assembling a Joy Kit for patients seen throughout the hospital! All items must be **new and unused**. Please place all items in a gallon-sized sealable bag. You can make as many kits as you would like with your group. Joy Kits can be assembled off-site and delivered to Joe DiMaggio Children's Hospital. **Once you are ready to drop off the Joy Kits, please email [JDCHDonations@mhs.net](mailto:JDCHDonations@mhs.net) to coordinate a time to drop off your donations.**
